MEMORANDUM FOR: Chairman, CODIB

SUBJECT: Interim Report of Working Group on Emergency Planning

REFERENCE: CODIB-D-76, 1 February 1961

1. The Working Group on Emergency Planning was reactivated following approval of referenced paper at the CODIB meeting of 21 March 1961. Members represent Air, Army, DIA, FBI, JCS, Navy, State and CIA, which provides the Chairman.
2. Five meetings have been held, including one at the CIA Relocation Site attended by two representatives of JACE. Each member has described the plans of his own agency to provide reference support in an emergency. The Chairman outlined CIA's Vital Materials files, program of training of emergency staff, and "insurance" program of widely dispersed acticards of selected finished intelligence serials.
3. The Working Group produced a list and map, Dispersal of Collection of Finished Intelligence (CODIB-EP-D) April 1962, which was made available to each member for his files and for deposit at his agency's relocation site. This list is not being generally distributed.
4. A statement of CIA Reference Deposits in the Vital Materials Repository (CIA relocation site) was also distributed for storing at each relocation site. Similar statements will be distributed covering the other agencies.
